ABOUT US

Bryn Mawr, a Welsh name that loosely translates to “big hill” or “high hill,” stands perched atop the Western crest of the breezy Eola-Amity Hills AVA. Our farming is centered on organic and regenerative practices, following LIVE Certified sustainable standards to foster biodiversity and healthy ecosystems amongst the rocky volcanic slopes of our estate vineyard. In winemaking, we value adaptability and calculated risk, limiting the use of oak and sulfur to showcase the transparent character of our vines. We continuously seek to harmonize time-honored traditions with playful innovations by crafting extraordinary and forward-thinking wines.

WINE

The Estate Pinot Noir is a barrel-select blend that captures each unique vintage at our dynamic vineyard. With eight clones of pinot noir divided amongst fifteen distinctive blocks, our site gives us an impressive multitude of tones and textures from which to develop an intensely characterized wine. Our Estate Pinot Noir is a robust, cellar-worthy Pinot Noir that transparently expresses its time and place.

VINTAGE

The 2022 vintage was a rollercoaster of a season. It began with a frost event that affected many parts of the Willamette Valley. Our Estate was spared on account of our later-than-average budburst date, but most feared the loss of their entire crop. Thankfully, ample spring rains followed and contributed to bountiful yields across the Valley. We were then graced with one of the longest seasons in over a decade, one that lasted well into October with sunshine and 80 days without rain. It was an astonishing vintage and a winemaker’s dream.
